

**Declaration of Understanding  
GEM Edges Field Trip Participants**

I have been familiarized and understood the guidelines and information relevant to the GEM Edges Field Trip as presented in the document entitled "Yukon Geological Survey Health and Safety Program Manual 2010".

I understand my responsibilities and rights regarding occupational health and safety, and *so far as is reasonably practical*:

- I will take all necessary precautions to ensure the health and safety of myself and others on the GEM Edges Field Trip;
- I will comply with health and safety procedures and instructions given for my own or anyone else's health or safety by the field trip leaders;
- I am aware of the potential hazards involved on this field trip, and understand the safe procedures that have been put in place to mitigate those hazards;
- I will promptly report any situation that I believe presents a hazard to a field trip leader; and
- I have been given the opportunity to ask questions of \_\_\_\_\_ concerning the content and meaning of the Guidelines.
